

Declaration of Compliance

This declaration of compliance relates exclusively to the product specified herein in the state in which it was placed on the market. Any components added, handling effected or modifications carried out subsequently are expressly excluded. The present declaration ceases to be valid in the event that the use of the product is not in conformance with the conditions specified in the applicable regulations, if any, and in Habasit's technical documentation. The product is intended for repeated use only.

Herewith we declare that the product specified herein is in compliance with the following food contact regulations.

ACI-28SWF

EU

Regulation (EC) No 1935/2004 on materials and articles intended to come into contact with food as amended. Specifically, this refers to the relevant Articles 3, 11(5), 15 and 17.

Regulation (EC) No 2023/2006 on good manufacturing practice for materials and articles intended to come into contact with food as amended.

This material has been manufactured in accordance with the relevant requirements of that regulation.

Regulation (EU) No 10/2011 relating to plastic materials and articles intended to come into contact with foodstuffs as amended.

Silicones are not regarded as plastics and therefore not covered by this regulation.

Also, these materials are currently not covered by a specific measure acc. to Art. 5 of Regulation (EC) No 1935/2004.

Since the product meets the requirements of other food contact legislation mentioned in this declaration, it is in compliance with Regulation (EC) No 1935/2004, Article 3.
